The Most Versatile All-In-One System for Servicing Cast Film/Sheet Dies

uCAMS™ (universal Cleaning,
Assembly, & Maintenance System)

Maximize workplace efficiency with one
complete system that provides capabilities
to service **cast film/sheet dies**.

Provides service operators with
advantages that can't be achieved with a
simple die cart solution:

- **Versatile...** one system designed to
service extrusion components (sheet
dies, chrome rolls, and feed screws)
- **Mobile...** locking caster wheels allow
cart and components to be
transported and serviced in safer
working environments
- **Ergonomic...** inspecting and
servicing is accomplished at position
that is easily accessible
- **Ease of use...** designed for single
operator use, minimizing man hours
and downtime

Price for 2000mm max width dies

~~WAS \$59,898~~

**NOW
\$48,825***

Valid until July 31, 2025
