Book an On Site Process Evaluation...

Optimize Your Line Performance!

10% OFF

On Site Process Evaluation*

Valid until November 30, 2025

PTi's expert technicians will provide on site assessment of your extrusion line, identifying performance issues and/or opportunities to improve efficiency, product quality, and uptime.

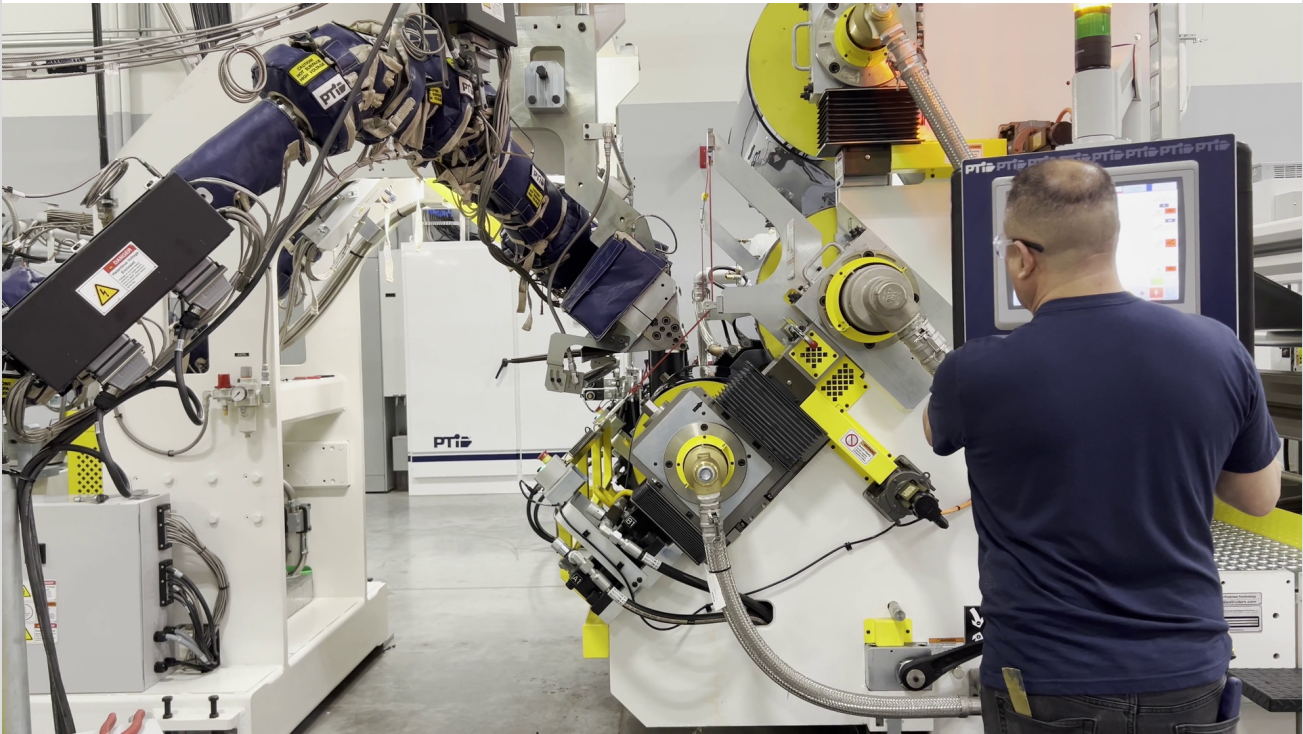

Consider this offer if you require:

- Achieve optimal performance!
- Guidance concerning machine procedures!
- Validating overall production processes for maximum output and performance!

Our process specialists offer expert-level proficiency and service in the areas of installation, start-up and operations, and are readily available to offer solutions for optimal performance and reliability. **Book now and receive 10% off the standard hourly rate for a limited time!**

* This offer cannot be combined with other offers from PTi and excludes expenses.

Mention this promotion to receive your discount today!

Don't wait until you need replacement parts for your system – keep your production line operating at peak performance!

Contact your service representative in our Customer Service department to ensure your on-hand inventory minimizes downtime and saves money.
